## Dear Friends

*Jennie writes on the Easter Gospel.....*

“He is not here, He has risen”. (Mark 16v6)

The Joseph Rowntree Foundation is a British charity originally founded to fight the evil of the slave-trade. Recently it conducted a poll that showed that many people saw ‘religion’, along with poverty, family breakdown and drugs, as one of the evils of the 21st century. Religion, of course, isn’t a specifically Christian word and in fact hardly occurs in the New Testament. Never-the-less the poll led to some heated debates between atheists and Christians. Maybe the debaters would have done well to consider the comment once made that: ‘Christianity begins where religion ends, with the resurrection’. The key that unlocks Christianity for believers is ‘the resurrection’. On Easter Sunday morning across our land and across the globe, believers will gather to worship and to renew their personal faith in the resurrection of Jesus Christ. And more than that ..... to proclaim through their own lives that the resurrection has consequences.

On that first Easter Day something happened that exploded all previous forms of human existence. It is an event so beyond our experience that it could not be told in a single account. Each eye-witness had their own different experience of it as recorded in the four Gospels. St Peter’s experience, written down by his nephew Mark, is summed up in the words: ‘He is not here, He has risen’.

The tomb is empty, he has risen so that he might be, not just with Peter then, but with all people, even us, whose hearts and lives are open to receive him. What a wonder, what a privilege that God-in Jesus, risen from death, should ask to camp out in our hearts and lives!! What are the consequences of that, if I and you say: ‘Yes Jesus, my heart isn’t too tidy, but come.’ ?  
More resurrection life?!

Wishing you a joyful and Holy Easter

*Yours Jennie*

# Messy Church is here!

Messy Church is a new way of doing worship that is sweeping our nation, and was seen for the first time in our Parish on Mothering Sunday in Burham Community Hall.

Messy Church, or creative worship, as I tend to call it, is a hands-on way of coming to God through some craft activity thought out with children in mind but for all to enjoy. The theme of that Sunday's craft leads into half an hour of lively praise, prayer and teaching, which in turn leads into a time for making friends and chatting over a drink and some nibbles of some sort.

Messy Church will be at 10.30am every 3rd Sunday in Burham Community Hall, the next being Sunday 18th April.— Creative Worship for all.

**MALLING**

Age Concern Malling runs two schemes to help alleviate loneliness and isolation amongst the older community of our Borough:

Befriending scheme & K.I.T. (Keep In Touch) Line.

Our Befrienders are all volunteers who visit people in their own homes who are lonely, isolated, housebound or who just want a friendly chat over a cup of tea. They usually visit once a week for a couple of hours on an allotted day at a prearranged time. These visits often become a rewarding and supportive relationship. The scene is regularly monitored and co-ordinated through our office. Volunteers carry identification and are initially introduced to the client by our co-ordinator.

K.I.T. Line. This service has recently been resurrected and is run by a volunteer from the Age Concern Malling office. A telephone call is made on a regular basis, on a set day at the prearranged time, with the dual purpose of monitoring the older person's well being and to bring in something from the outside world, combating feeling of isolation and loneliness. This scheme can be run in conjunction with the Befriending Scheme or whilst the client is waiting for a Befriender to become available.

If you know anyone who you feel would benefit or would like to use either scheme please contact Sandy: 01732 873977

If you would like to have a visit from a Befriender or a telephone call on a regular basis please contact Sandy: 01732 873977

If you would be interested in helping on either scheme as a Befriender or making a regular phone call to people please call Sandy on the number above. We can always use your help.

*Sandy Broomfield. Age Concern , Malling*

## **BURHAM CHURCH OF ENGLAND PRIMARY SCHOOL**

Mr. Jones who has been Headteacher of our school for over five years, and who has spent all of his teaching career in Burham, is sadly retiring in July. The Governors are now seeking a replacement for him. Many families have known Mr. Jones as their special teacher and we know they owe a great deal to him for his dedication, encouragement and total commitment to our school. He will be sadly missed and we wish him a very happy and relaxing retirement. The Governors will be anxious to find a new Headteacher who will continue to lead a successful and happy school with a strong Christian ethos together with a reputation for providing an excellent education.

You will shortly see a new notice outside the School, to advertise that we now have a 'Children's Centre' on our site. This is a resource for 1-5 years old and our Centre will cover Burham, Wouldham, Eccles and part of Walderslade. A new building is planned which should be completed by the end of the year. This is an exciting new addition to our school and will provide advice and other resources to parents of pre-school children.

A Governors would like to congratulate all those pupils who have been successful in their 11+ exam and will be moving on the Grammar Schools within Medway and Maidstone in September. Once again the percentage of pupils passing the test has been higher than the average and is an indication of the hard work of our teachers and other staff and the support given to our children by their parents.

Our Governing Body has recently changed the way it works and there are now a smaller number of Governors who meet as a Strategy Group and then report to full Governing Body. Recommendations are made by the Strategy Group and this new process speeds up the significant amount of work that Governors have to do. We are still getting used to this new way of working but are confident that this is more efficient.

*Eileen Smith, Chair to the Governing Body.*

## BURHAM PARISH COUNCIL

Once again the Parish Council would like to reiterate that all crimes must be reported. We have been advised that recently some incidents have taken place and have not been reported. The Police cannot identify “hot spot” areas if by their records, nothing has happened. (Telephone number to report a crime is 01622 690690.)

Also the Police have advised that a local suspect found in possession of a controlled drug (Class B) has now been referred to the Magistrates Court and that there is an increase in Police patrols in and around St Mary’s Walk due to anti social behavior by local youth. The particular youths are known to police and have all been referred to the Police Family liaison Officer, TMBC, the Anti Social Behavior Officer and Russet Homes.

Unfortunately, there is no further news on moving the “children’s crossing” stencil in Rochester Road to the newly installed crossing point. Nor is there any further news on the installation on the 2<sup>nd</sup> phase barriers outside the school. KHS are chased very month regarding these two matters. KHS have now completed the extensive repair works in Margetts Lane.

Doctors Option Agreement: The Surgery have now advised that the partners do not wish to take up the option of purchasing the land next to the surgery. They have also advised that they do not wish to extend the option agreement. In light of this, a feasibility study will take place to ascertain the maximum benefit for the land in financial terms for the village. Obviously the area in question is a sensitive site with the surgery, old peoples homes and the school in the immediate vicinity. These factors will obviously need to be taken into consideration before any final decision is made on the land.

TMBC have organized a dog fouling ‘Bag and Flag ’ event for 26 May 2010 7.00am – 100 am in St Mary’s Walk and Brisley Row.

Valley of Visions Community Trail: This project is coming along in leaps and bounds, thanks to Councilor Neath. In the not too distant future, some of the new benches will be installed and possibly also planters on the green verge on Rochester Road/Whitehouse Crescent.

*continued.....*

A 'Bash the Trash' took place in early March. A good amount of rubbish collected and thanks must go to particularly to three Parish Councilors, one Borough Councilor and four members of public.

A Fun Day is being organized for Sunday 27 June 2010 at the recreation ground. More details to follow. Contact Bernard if you would like a stall at the event: 01634 861886

## WOULDHAM PARISH COUNCIL NEWS

This month it was reported at the Council meeting that there were 5 incidences of crimes. Three people were charged with grievous bodily harm and further investigations were ongoing. There was also a case of arson. There have been further thefts of copper from the power station. This is highly dangerous and could be a life threatening. There are increased police patrols in Wouldham.

Well done to the Wouldham children who picked up 10 bags of litter from Wouldham Common.

Our Community Warden conducted a “Bag and Flag” day. 191 bags of dog faeces were bagged up on the Recreation Ground. Would all dog owners please SCOOP UP THEIR DOG POOP. As everyone knows, dog poop is dangerous to children and can cause blindness. If the situation continues, the Parish Council could pass a bye-law to stop all dogs going on the Rec. This would be highly unfair for responsible dog owners. The Council’s Dog Warden can be contacted on 01732 876181 or by email: [dog.warden@tmbc.gov.uk](mailto:dog.warden@tmbc.gov.uk)

There is quite a problem locally with flooding roads. In the past, maintenance of drains has not been good. Now Kent Highways have a dedicated team especially for drainage.

Now is the time to start thinking about your vegetable patches, happy gardening.

If you have any items you would like the Parish Council to discuss, email the Parish Clerk, Sarah: [wouldham.pc@hotmail.co.uk](mailto:wouldham.pc@hotmail.co.uk) or come along to the monthly meetings normally held the first Tuesday of the month. The next meeting is scheduled for Tuesday 6<sup>th</sup> April, 7.30pm at the village hall.

# **Wouldham All Saints Church of England Primary School**

We enjoyed a very successful day in All Saints Church last month and a big thank you is needed to all those who made this possible. The Family Trust worked hard with Jennie and her team to set up a range of enjoyable activities to help the children think about the church and what it all stands for. I am sure all those volunteers who gave their time were exhausted at the end of it and so please know that it was greatly appreciated by all.

March also saw cross country, netball and football competitions as well a Spelling Bee and a chess match for the indoor minded! With enjoyable trips out to The Rare Breeds Centre (Otter and Badger Classes), Rochester Cathedral and Fort Halstead for Owl Class we have been able to develop new experiences.

We also had a successful day at the Museum of Royal Engineers taking part in a bridge building competition. The five Year 6 children representing the school managed to come second which means they've won a complimentary class visit for later in the year. Fantastic and very well done – can you now organise the bridge over the Medway!

We are due to have an Easter egg hunt at the end of term and this will be even better than normal as we are able to make use of our wonderful new field.

We're also taking a large number of children to see Oliver! In the West End on the 31<sup>st</sup>. This follows other successful and enjoyable theatre trips in previous years. April 1<sup>st</sup> is our last day of term and we will be saying goodbye to Mrs Carol Wallace who will leave us then. Good luck with your future plans and please keep in touch.

The school starts back on Tuesday 20<sup>th</sup> April for Term 5! Our first week back will end with a DT challenge to mark St George's Day and the following week we will have police motorcyclists visiting to tell us about their work as part of the emergency services. May you all have a tremendously Happy Easter!!!

# **Neighbourhood Policing Team**

Working with you in Burham and Wouldham

By the time you read this, police and partners will have held a community engagement event in Burham to ask local people about their priorities for the community. Perhaps you came along to talk to us on Saturday 13 March! Local neighbourhood police officers, parish councillors and representatives from Russett Homes, Tonbridge & Malling Borough Council, KCC Community Wardens and Kent Fire and Rescue Service were at various locations in the village to find out what residents think are the most important issues. Sgt Mary Penfold explains: 'Feedback from the public is invaluable to us as it allows us to target our resources more effectively. We would like to encourage local residents to report any incidents or problems to us so we held this event to gather as much information as possible which will enable us, if necessary, to deal with any issues of concern.'

Cllr Mike Dobson, Tonbridge & Malling Borough Council's Cabinet Member for Community Safety, says: 'The Borough Council has identified improving community safety as one of its key priorities and this was a good opportunity for residents to come and talk to members of the Community Safety Partnership about their concerns.' We will report on the results of the event in a future issue.

If you would like more advice, or to talk about any other local policing issue, you can contact me on 01732 529911.

# Valley of Visions Community Trail

Hopefully some of you may have heard about the Community Trail project and I'd like to update the village on what has been planned so far.

The Valley of Visions team have been meeting some residents – they have been in the school and to the Thursday club, and are working with us to come up with a design for the so-called gateway sculpture which is likely to be located on the green area near the village sign. Also in this area we hope to put 2 raised beds planted for all year round interest. This is subject to consents from Kent Highways but we are hopeful that we will get something in place this year

Thanks to those of you who have contacted me with ideas on specific locations of benches. The first of these should go up within the next few weeks and will be the first visible result you will all see of the project. We are well on with planning the Burham Walk Festival which will be happening from June 7<sup>th</sup> to July 3<sup>rd</sup>. Already we have 12 events booked in ranging from early morning birdsong walks to photography workshops. Nearer the time there will be fliers with all the dates and booking details so keep a look out.

For non football fans this may be welcome break from the World Cup! Don't forget – most events will be totally free of charge. Art classes may have a small cost for materials but there will some provided.

If there is anything you'd like to know or if you have more ideas for us – please contact me, Wendy Neath,

### **PAYE Returns – Do It Online**

This year it is compulsory for almost all employers to file their Annual PAYE Return (P35) on-line and failure to do so by 19<sup>th</sup> May will result in a penalty. In future you will also need to file in-year forms for new employers, leavers, etc on-line. If you are not yet registered to use internet filing please remember this takes a while to set up so don't leave it to the last minute!

If you are not able to file on line or are just unhappy at the idea of doing so we can help! We can check your calculations and file returns on your behalf, or even administer your whole payroll for you. Please get in touch soon...
